Lincoln County cannot assure the reliability or suitability of this information for a particular purpose. Original data was compiled from various sources. Spatial information may not meet National Map Accuracy Standards though it is constantly being improved so that it will meet or exceed these standards. This information may be updated without notification.

Please respect private property rights. Do not trespass to access public lands. Land ownership is constantly changing and public lands that were public at the time these GIS datasets were updated may now be private. Please verify ownership with the County Assessor's Office. Many of the roads represented on this map are private and do not represent a public easement. These include Private Named, Private Unnamed, and Driveways. Please contact Courtney at Lincoln County Land Services for any questions regarding GIS mapping (509 725-7041, gis@co.lincoln.wa.us).
