1. GENERAL INFORMATION. *(In order to expedite the process, please read each item carefully and submit the required information and documents.)*

A. Fee: \$200.00, payable with application submittal to Land Services-Planning Division.

B. Boundary Line Adjustment means the legal adjustment of boundary lines between two legally created abutting lots, tracts or parcels, which creates no additional lot, tract, parcel or site and which results in no lot, tract, parcel or site that contains insufficient area and dimension to meet minimum development requirements for a building site.

C. The adjustment cannot relocate any access easements, utilities and/or on-site septic systems.

D. If the original plat boundary lines were surveyed, then, if applicable, the adjusted boundary line(s) shall be surveyed by a registered land surveyor and signed and submitted with this application. The director may waive this requirement for certain minor adjustments.

E. It is recommended that a professional land surveyor, title officer or attorney prepare the legal descriptions and required documentation.

F. Existing and proposed new legal descriptions and parcel sizes must be shown.

G. Please attach a copy of the conveying documents, e.g. statutory warranty deed or quit claim deed, written legals, etc. Original conveying documents must be recorded at the same time the boundary line adjustment is recorded.

H. *A completed real estate excise tax form and the original conveying document (deed) must be presented to the Treasurer’s office for processing and payment of real estate excise tax and fees due prior to recording in the Auditor’s office. Also, property taxes on all parcels affected by the boundary line adjustment must be paid before the Treasurer’s office can sign off on the boundary line adjustment for recording.*

2. APPLICATION PROCESS.

Please submit all required materials to Lincoln County Land Services located at 27234 SR 25 N, Davenport, WA 99122.
