**SESSION CALLED TO ORDER:**

Courtney began the meeting at 10:05 AM.

**MEETING DISCUSSION AND COMMENT:**

The group discussed the status of funding for the group. Rusty mentioned that come July/August there might be some extra bucks floating around. The group went through the list of goals and edited some and narrowed them down to a few main goals.

Some of the ideas mentioned were:

- Pamphlet for educating landowners
- Map of county showing where water is
- Keep property values
- Expand sampling
- Drill 5 – 10 monitoring wells

Also, with funding being so limited and likely going to continue that way, having the Plan function as the Detailed Implementation Plan (DIP) would be very beneficial.

**Public Comment**

No public comment was offered.
