MEETING DISCUSSION AND COMMENT:

Courtney started off by telling the group that temporary officers need to be elected to run the meetings and take notes etc. Having no volunteers, it is agreed that the group would like Courtney to run the meetings and take care of minutes etc for the Planning Unit. Having that agreed upon, the group discussed what they would like to see happen in the next year or two.

- Continue groundwater monitoring (through the CD) quarterly.
- Develop a focused Watershed Plan

The group has \$20k tentatively available and feels that a lot can be done with that money once it is officially available.
