

Land Services Holiday Schedule

We appreciate your patience during the busy holiday season. We will return calls, emails and other requests within a day or two. With a staff of two and time off with family, it's inevitable that we will have some gaps in coverage.

The Planner (Courtney) can be reached via email and cell phone for the duration of her vacation (December 23rd—January 5).

The Building Inspector (Chip) will be off December 24th & 25th and January 1st & 2nd. And as usual, he will be in and out of the office on inspections; when calling, choose the Building Division when prompted to leave a voicemail.

We apologize for the inconvenience if you have stopped by the office and the person you are looking for is out; but please fill out an "information request form" and it will be emailed to the proper person. Be sure to include your contact information.

Again, thank you for your understanding and we wish you all a Merry Christmas and Happy New Year!
